Training in December

Springfield and Chicago

If you know of anyone who should be trained to deposit state electronic documents, please refer them to http://finditillinois.org and Online Learning to find CleO and register for a training session. The December EDI depositor training sessions will be held at the Illinois State Library Computer Training Room in Springfield and at the James R. Thompson Center, Room 2-024 in Chicago. A training session has been scheduled in **Springfield** on **December 14th** and in **Chicago** on **December 15th**.

To request more sessions in Chicago, contact:

Subjects with Apostrophes

Software bug fixed

Have you ever deposited a document, received notice that it was accepted and discovered that a subject heading assigned to the document was missing in EDI? When the software developer discovered that apostrophes in subject headings were causing the entire heading to disappear, he immediately programmed a fix into the software. If you used headings containing phrases like "Teachers' retirement" or "Kids' pages", you may have noticed that they didn't display. Those headings have now been restored. If you find a record that is still missing a subject heading, please contact me:

Holiday Schedules

The holidays are here, and with so many other activities occurring, keeping up with deposits can be challenging. Deposits to EDI will decrease, but please remember to catch up during January to provide access for citizens. **Have a happy holiday season!**
